

Princess and the Pea/dybwikdans

Princess: King Nils?

King Nils: Yes

Princess: King Nils?

King Nils: Yes

Princess: King Nils, are they all sitting down?

King Nils: Yes

Princess: Good, King Nils, well done.

King Nils: Thank you

Princess: Then we can start. Are you ready?

King Nils: Yes

Princess: Once there was a Prince who wanted to marry a Princess. Only a real one would do. So he traveled through all the world to find her, and everywhere things went wrong. There were Princesses aplenty, but how was he to know whether they were real Princesses? There was something not quite right about them all. So he came home again and was unhappy, because he did so want to have a real Princess. One evening a terrible storm blew up. It lightened and thundered and rained. It was really frightful! In the midst of it all came a knocking at the town gate. The old King went to open it. Who should be standing outside but a Princess, and what a sight she was in all that rain and wind. Water streamed from her hair down her clothes into her shoes, and ran out at the heels. Yet she claimed to be a real Princess.

Cold Princess Dance

Princess: King Nils, who is that?

King Nils: I dont know

Princess: King Nils, who is that?

King Nils: I am really not certain

Princess: Is she a Princess?

King Nils: its very hard to say

Princess: You need to find out if she is a real princess or not

King Nils: all right

Princess: come on, what are you waiting for?

King Nils: I really dont know how to figure out if someone is a real princess. How can you tell? How can I tell if she is a real princess? Maybe, if she is a Princess, she should know the Princess song?

Princess Song

King Nils: She knows the Princess song

Princess: King Nils

King Nils: Yes

Princess: Is she a Princess?

King Nils: Well I still dont know

Princess: Is she a Princess!

King Nils: I am really not certain

Princess: Come on, what are you waiting for?

King Nils: I am not sure how to figure out if she is a real princess. How can I tell? If she is a Princess she should know the Royal Dance?

Royal Dance

King Nils: She knows the Royal Dance!

Princess: King Nils?

King Nils: Yes

Princess: Is she a Princess?

King Nils: Possibly

Princess: You need to figure out if she is a real Princess or not.

King Nils: Yes, but I am not sure if the song and the dance is quite enough

Princess: Ok, maybe if I continue with the story, we'll find out? We'll soon find that out, the old queen thought to herself without saying a word about it, she went to the bed chamber stripped back the bed clothes and put just one pee in the bottom of the bed then she took twenty mattresses and piled them on the pee then she took twenty eiderdown featherbeds and piled them on the mattresses up on top of all these the princess was to spend the night.

King Nils: We'll soon find that out, the old queen thought to herself without saying a word about it, she went to the bed chamber stripped back the bed clothes and put just one pee in the bottom of the bed then she took twenty mattresses and piled them on the pee then she took twenty eiderdown featherbeds and piled them on the mattresses up on top of all these the princess was to spend the night.

Dream of the Princess

Princess: In the morning they asked her, "Did you sleep well? ". "Oh!" said the Princess. "No. I scarcely slept at all. Heaven knows what's in that bed. I lay on something so hard that I'm black and blue all over. It was simply terrible.» They could see she was a real Princess and no question about it, now that she had felt one pee all the way through twenty mattresses and twenty more feather beds. Nobody but a Princess could be so delicate. So the Prince made haste to marry her, because he knew he had found a real Princess. As for the pee, they put it in the museum. There it's still to be seen, unless somebody has taken it. There, that's a true story.

King Nils: Wait!

She is a real princess!

You are a real princess!

This calls for a celebration

Everybody on your feet!

The king demands

We shall have a ball

and here in my castle

We all dance exactly the way we want to

Princess: Hahahaha!
